Dear Resident,

Subject: West Park Fields New Play Area

We are contacting you regarding the installation of new play equipment at West Park Fields, (location shown below as a black circle and the new path leading to the play area shown as a black line). The play area is quite a small facility and aimed at young children, please see the attached plan. We hope that you will be supportive of our proposal to improve play opportunities for children in the area as part Leeds City Council's Child Friendly City Vision.

The works are due to start on Monday 21st August 2023 and are expected to last around 4-6 weeks. Site working hours are between 8am and 5pm Monday to Saturday. The Contractor is Kompan and the Site Manager is Jamie Thompson who can be contacted on 07813 521058.

We will aim to keep disruptions to a minimum but if you do have any concerns, please contact myself for any general enquiries about the project or the Site Manager for any queries specifically relating the works on site.

Please note that the attached plan can be subject to change.

Yours faithfully

Thuja Phillips
