

# Circular from West Park Residents Association

## *The Annual General Meeting*

Although it's uncertain exactly how the corona virus and relevant Government regulation and advice will develop over the next few weeks, it's clear that it will not be over by 30<sup>th</sup> March, the date we've fixed for the AGM.

Therefore it seems prudent to postpone the AGM for now. Please accept this email as notification that the event will not go ahead on the 30<sup>th</sup> March and that we will reschedule when things become clearer.

***Not all WPRA members are on email so please do your best to let your neighbours know about this postponement.***

In the meantime let's all take as many precautions as we can to limit the spread locally. You can find lots of authoritative advice on how to avoid being infected and avoid infecting others on the NHS website [here](#).

And then for something lighter you might like to click the picture, turn up the volume, and sing along with a group of young German medics presenting the hit of the moment, ['I Can't Get No Disinfection'](#)!
