

# Circular From West Park Residents Association

## ***Leeds Bradford Airport - Planning Application 20/02559/FU***

As you know from previous circulars, there are plans afoot to make big changes at LBA. The planning application reference for all this is 20/02559/FU. It is up for consideration now and the Council are already accepting comments from interested parties.

Probably the most immediate aspect for West Park residents is that the application requests an increase in the permitted night flying hours. If the application is successful, the daytime operating hours will be brought forward to 06:00 in the morning (from 07:00 as at present) and extended to 23:30 (from 23:00) in the evening.

If you feel strongly about these changes, you may wish to make your views known in a Comment to the planning authority before the deadline of Monday, 15th Jun 2020. Here's the procedure:

1. Click on this link: <https://www.leeds.gov.uk/planning/planning-permission/view-and-comment-on-planning-applications>,
2. Click in the green box: 'Search planning applications using Public Access'
3. Enter the LBA application reference number in the box: 20/02559/FU, and click on Search.

Under the heading 'Documents' you can then read what others have had to say about the application (or click [here](#)), and you can log in and submit your own comment on the application by clicking [here](#).

For more information about the plans, and about how to make your views known to various relevant bodies, please consult the four attached documents, which WPRA received recently from 'GALBA' (Groups Against Leeds Bradford Airport):

- GALBA to WPRA 13-05-2020 LBA application is now LIVE!
- GALBA to WPRA 09-05-2020 Airport expansion - planning application imminent.
- Airport Circular, 12-05-2020.
