

# West Park Residents Association

## August 22 Committee Meeting

### SUMMARY OF THE MEETING AUGUST 8TH 2022

Issues discussed included:

- West Park Fields playground. Plans for the children's playground are now published and received a positive response from the committee in terms of the range and quality of the equipment as well as its proposed position adjacent to Spen Lane.
- West Park Fields Tree Planting. We welcome the proposal by Woodland Creation for more trees to be planted on the West Park Fields but we feel the current suggestion is inappropriate. Rather than plant in the hay meadow it would be better to site them lower down the slope near the stream. There was an onsite meeting with Woodland Creation at 2.30pm on Thursday 18 August and this strategy was agreed with them. Please refer to the email sent out to members on Saturday 13 August.
- **WPRA AGM** will again take place at **Lawnswood School** on **Thursday 6 October from 7 – 8.30pm**. The agenda is not yet finalised but we are expecting to have updates on Leeds Bradford Airport and the councils plans for roads and transport in our area. Many thanks to Lawnswood School for letting us use their building.
- Due to covid our AGMs in the last couple of years have moved to September /October. In 2023 we intend to move back to the traditional March/April time

The NEXT MEETING of the Committee is planned for 26 September. If you wish to raise any particular issues, please email Graham on [chair@westparkresidents.org.uk](mailto:chair@westparkresidents.org.uk)
